

TAKIMA NATIONAL SECURITY AGENCY
11 Fev. 1968

SECRET DOCUMENT LEVEL 5

FROM : TNSA CONFIDENTIAL REPORTERS

SUBJECT : SECRET AGENT EXFILTRATION

After the Cuban missile crisis in 1962, our undercover agent [REDACTED] was able to benefit from the B058-04 exfiltration program on February 10, 1968 and repatriation to the country for debriefing after 6 years of infiltration at the highest level of Cuban government.

He participated in various operations for TNSA:

- Political opponent assassination
- Modification of election results
- Assistant of the President's Chief Security Officer
- Various traffic to the USA

By virtue of his excellent service, he is given a new identity and life.

From his new name Paul [REDACTED], residing at [REDACTED]
[REDACTED] 13002 Marseille.

A new job was assigned to him in an vacation center for children and summer camp in the PACA region in FRANCE.

CAUTION: Following his various service records, this agent is considered to be potentially armed and dangerous.
